Re: *American University D/B/A WAMU*  
NLRB Case No. 05-RC-267653  
KM&M File No. 12662.0001

Dear Mr. Marshall:

This law firm represents American University and WAMU (the “Employer”) in connection with the above-referenced representation case.

The Employer respectfully requests a two-day adjournment of the hearing that is currently scheduled for Wednesday, November 4, 2020. The Employer and the Petitioner are working diligently to reach an agreement on an election stipulation and to avoid the need for a representation hearing altogether. However, due to scheduling constraints, the parties have not yet completed their discussions. We are, therefore, requesting that the hearing be rescheduled for Friday, November 6, 2020, to give the parties adequate time to work out any necessary issues and reach an agreement on an election stipulation.

We also seek a corresponding adjournment with respect to the filing of the Employer’s Statement of Position, which would then be due by 12:00 p.m. on Thursday, October 29, 2020.

We have contacted the Petitioner's representatives, Ms. Anee Raulerson and Mr. Joshua Mendelsohn, to discuss the requested adjournment and the Union consents. A copy of this request is being sent to Petitioner's representatives as set forth below.

Respectfully submitted,
